

PRODUCT DESCRIPTION:

Reconfigurable post type screen mount with a folding arm that adjusts vertically up and down the post in 1" increments.*

The arm can fold to fit in less than 5" of space and extend out over 17".

Cable management allows for wires to clamp onto the post and tuck under the arm segments.

This product is designed for modularity and can accommodate multiple configurations.

Shown in standard silver

FEATURES:

Standard 28" pole accommodates (2) 15-30" screen, 30lbs (13.6 kg) per mount
