

SM-C Mounted Speaker Arm

note: The SM-C is also available in a direct-mount version for Genelec speakers and other products with a VESA mounting interface

Product Description:

The SM-C is an adjustable desktop or Trac mountable speaker arm with a 360° rotatable platform base.

The arm can fold to fit in about 2" of space and extend out over 13".

Cables can be tucked under the forearm and main arm to keep the desktop free of cables.

Features:

Low profile arm accommodates up to 20 lbs.

Arm rotates 360° at 3 joints.

Adjustable tension at all joints.

Standard with 14" pole, 28" and 36" also available.

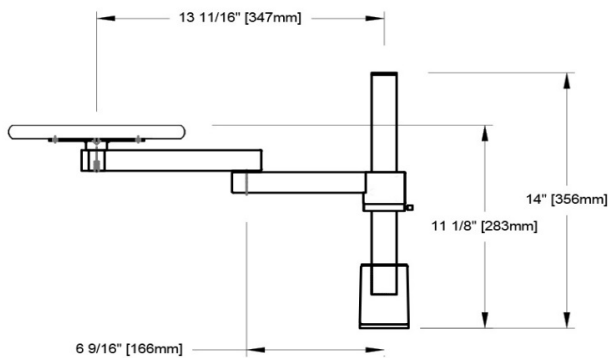

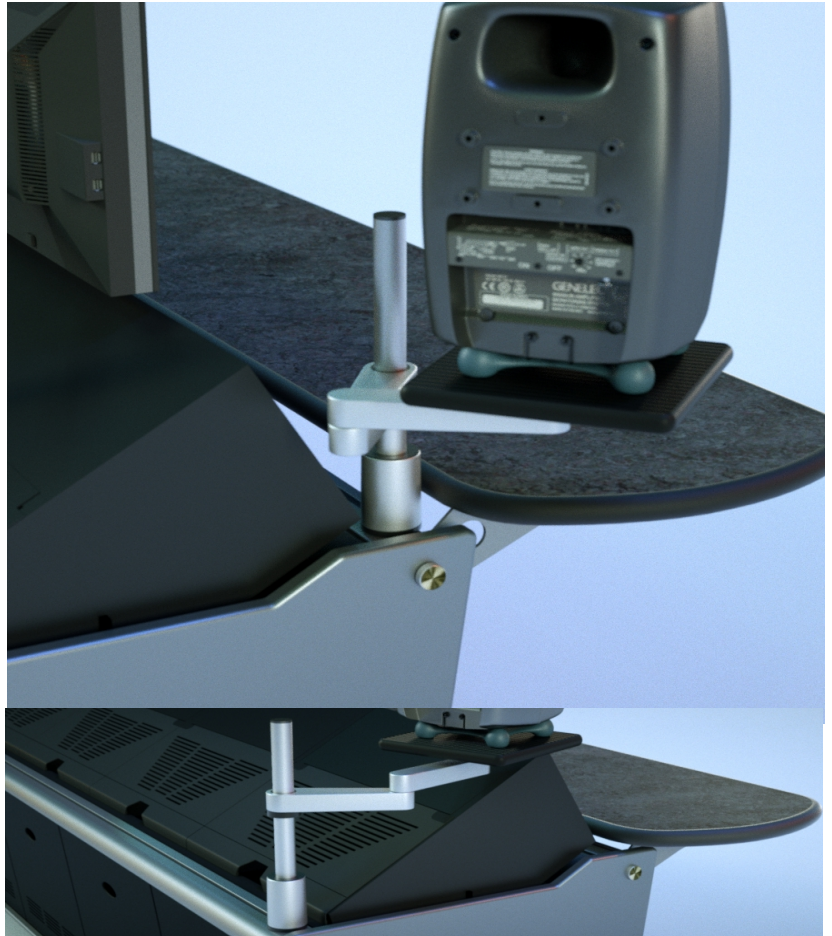

Platform of customizable based on speaker size

Typical Applications:

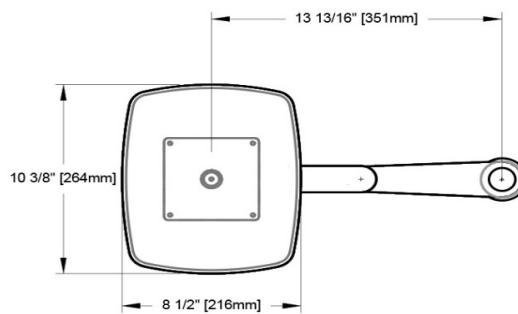

SmartTrac: Trac or desktop mountable

IntelliTrac: Front or rear trac mounted

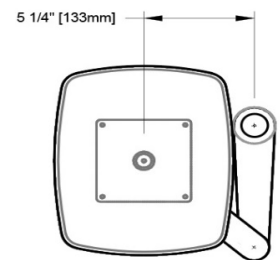

Note: SM-C can also be through mounted on any desktop up to 2" thick
